Good response to SCF's Machilipatnam Sports Festival

Machilipatnam: The Hyderabad-based Sports Coaching Foundation (SCF) has successfully forayed into this part of the State with its uniquely conceptualised Build India Initiative as a means to simultaneously promote the Union Government's 'Khelo India' scheme.

As part of this endeavour, the Foundation conducted 'Machili-

patnam Sports Festival-2017' that featured children from BPL families pursuing studies in 15 select local Municipal Schools. The festival, held at Chilakalapudi Panduranga Municipal High School, was in collaboration with the State Government.

Foundation Secretary, K Sai Baba said that the response has been overwhelming. Thanking

Sports Coaching Foundation's founder-Secretary K Sai Baba poses with the PETs, who were felicitated on the occasion

the assistance from the government agencies, he explained that they had created basic sports infrastructure and had conducted clinics in order to motivate children from the poorer sections, who are, otherwise, denied such facilities. He said it was a matter of pride that they will transform the lives of at least 6,000 youngsters, who can work out their future more meaningfully. Plans are underway to start the second phase of the Sports Development Project for Municipal Schools, he

said. Meanwhile, as a further inspiration so that the youngsters would continue their passion for sports activities, they have instituted excellence awards in memory of NT Rama Rao, Pattabi Sitaramayya and Col CK Nayudu.

The culmination came with the conduct of a cultural programme. Municipal Chairman M Baba Prasad and Commissioner Jaswantha Rao, along with other bigwigs, gave away prizes and felicitated the achievers, head masters and PETs.
