**K. Saibaba,**  
**President of India Awardee**  
**[ In Social Change - 2015 ]**

*Greetings from K. Saibaba, Sports Coaching Foundation (SCF), Hyderabad!*

*The year 2016 was indeed a great year for SCF as it remained fully committed to empowering/serving the underprivileged masses in India through its 'Build India Through Sports (BITS) Project' by voluntarily conducting Sports Awareness Clinics, Developing Sports Infrastructure (at grass-root level) and Donating Sports Equipment at Low-income Institutions (Govt. Schools, Municipal Schools, Orphanage Homes, etc.) in rural/urban areas all over India. Through BITS Project so far, SCF has touched and empowered the lives of over 40,000 underprivileged children & youth all over India – directly challenging Social Issues like Poverty, Illiteracy, Gender Inequality, Discrimination, etc. Through Sport, SCF has worked towards Social Change promoting Health, Sportsman Spirit, Social Inclusion, Conflict Resolution and has worked towards Overall Personality Development in children & youth. However, even after 25 years of selfless service through Sports, we are still faced with financial challenges to sustain our BITS Project. We need Partners to sustain our Scalable and Replicable 'BITS PROJECT'.*

*In retrospect, the year 2016 has indeed been a milestone year for SCF, one which recently saw SCF (for its BITS Project) being ranked among the 'Top 3 Sports NGOs in the World' by the "Peace & Sport Forum" in Monaco, Europe, a forum fully endorsed by the Special Advisor to UN (Sports for Development & Peace) in December 2016. This International Forum - which handed SCF this prestigious nomination - featured eminent World leaders & Ambassadors, UN delegates, Noble Peace Laureates, over 30 Legendary Olympians & 500 World Delegates. This Forum based in Europe recognized the contributions of Social Change Icons of India - Mahatma Gandhi and Mother Teresa among several others. A link to the Awards ceremony is available on Page 4 of this Newsletter.*

*Please note that SCF was also the 'Most Awarded Sports NGO in India in 2015-16' for its BITS Project receiving a record of SIX National Level Prestigious Awards including the 'Best Sports NGO Award – 2015' from the President of India – Shri. Pranab Mukherjee.*

*I take this great opportunity to welcome you into the New Year-2017, a year which gives each of us an opportunity to be counted in improving/empowering the society and standing up to make a difference. I keenly look forward to your active involvement in the 'BUILD INDIA THROUGH SPORTS (BITS) PROJECT' of SCF, a lifetime opportunity to serve the underprivileged children & youth in India through something as innovative and enjoyable as Sport and in developing a Healthy and Prosperous India. In course of time, your efforts and involvement will go a long way in transforming India into a 'Vibrant Sporting Hub of the World'.*

*I sincerely wish you the very best in your personal endeavours and hope that 2017 turns out to be your most successful and meaningful year so far.*

*Thank you*
