# UNICEF CITY CHIEF: CSR IS NOT CHARITY

DC CORRESPONDENT  
HYDERABAD, JUNE 22

Companies have to realise that corporate social responsibility (CSR) is not charity with a legal binding but a responsibility as sustainable development goals cannot be achieved without the help of corporates, said Meital Rusida, chief of the Unicef field office.

She was speaking at a conference organised by CII Telangana in association with Unicef on 'CSR — A Call to Action for Socially Conscious Business'.

Chevella MP Konda Vishweshwar Reddy, who was the keynote speaker, said, "Government is good at distributing money to build infrastructure, schools and toilets but the challenge is maintenance and employing people. Corporates can fill these gaps by collaborating and complement each other's strengths."

Instead of confining to painting schools, corporates can bring a change in mindset of the people, he said.

# SPORTING ODE TO FOREIGN STUDENTS

Continued from pg1

Driven by their inner urge, hundreds of them continue to hone their sports skills and their passion by taking some ground on hire on an hourly basis over weekends while some fortunate ones get to participate in tournaments representing some clubs, particularly in football.

In order to give a feel of exclusiveness to these overseas students, the Masab Tank-based Sports Coaching Foundation (SCF) has conceptualised a first-of-its-kind sports extravaganza that comes as music to the ears.

In a welcome development, founder-secretary of the Foundation, K Sai Baba interacted with representatives of various foreign student bodies in the city on Monday.

They included 'players' from Iran, Iraq, Lebanon, Sudan, Somalia, Afghanistan and Yemen.

In collaboration with Nizam College, SCF will

Prof STLN Swamy (centre) releasing the poster

conduct a unique 'Foreign Students Sports Event-2015' at the college premises from January 22 to 24.

Apart from several disciplines like basketball, volleyball, football and track & field events, the event will have a tennis ball T20 cricket tournament that mandates each team to have five men and an equal number of women, each of

whom has to bat, bowl, keep wickets and also field.

The logo for the event was released by Prof STLN Swamy, the Principal of Nizam College, who later said that the event could spread cultural togetherness and open new chapters in bilateral ties.

Sai Baba said that around 1500 students, including girls, will participate in the

extravaganza. He said that they had hoped to come up with a sporting event where everyone would be a winner. Their reward will be the sporting time and the sense of togetherness spent on the ground for three successive days.

Many of the 'ecstatic' participants said it was an overwhelming tribute to their identity and stay here.

## Sports meet for foreign students

**HYDERABAD:** Sports Coaching Foundation (SCF) will organise an exclusive sports meet for foreign students studying in and around Hyderabad at Nizam College Grounds from

January 22 to 24, according to K. Sai Baba, general secretary of SCF.

About 2,000 students are expected to participate in this meet.

## SPORTING ODE TO FOREIGN STUDENTS

It may come as a startling revelation but the fact of the matter is that there are almost an estimated 20, 000 foreign students pursuing their academics in various universities and institutions in the city. Studying various courses in

Osmania University, University of Hyderabad, EFLU and MANUU among several others, are students from Asia, Africa, including the Middle East, and some European nations.

**Sports Coaching Foundation (SCF) is pleased to announce the grand success of the mega sporting event, first of its kind in India, for foreign students pursuing their career in different universities of Hyderabad. The concluding ceremony was successfully held at Nizam College Sports Complex on 24<sup>th</sup> Jan, 2015 @5pm. Mr. Chalam, Vice Chairman, Telangana State Council of Higher Education was the Chief Guest of the function.**

**Sporting events in the following disciplines were held- Cricket, Basketball, Volleyball, Football and other Track & Field events. This mega event was jointly hosted by Sports Coaching Foundation (Masab Tank) and Nizam College (Hyderabad). This event was successfully conducted under the 'Build India through Sports' project of SCF. Former Physical Directors and many veteran sportsmen of Nizam College, Hyderabad were felicitated in the concluding ceremony.**

The meeting of members of Foreign Students Association and organizers (SCF & Nizam College) was held on 14-12-2014 at SCF Sports Complex, Masab Tank, Hyderabad. Dr. Akthar Ali and Dr. Rajesh of Osmania University presided over the event.

The second step, depending on the response of the schools, involves a visit by the coaching faculty armed with the basic sports equipment to give some sort of demo out on the sports arenas to lure students into sporting activity. "Mind you, this is not a commercial venture but purely funded by the NGO which is a non-profit organisation supported by crucial wings of the State government including the Greater Hyderabad Municipal Corporation since 1991," reminds Sai, a former Andhra Ranji cricketer and also Executive Committee member of the Hyderabad Cricket Association.

The project involves educating the children about the stupendous sporting achievements like five-time World women's boxing champion Mary Kom, especially among

dozens of footballs and basketballs to many schools already to see that there is some activity," explains the SCF general secretary.

What is the reason for this project to take off? "From my own experience, it is the Government schools which lack the desired impetus and support. So, I thought let us start from there to cater to the lower strata of the society," he replies.

The whole project is being pursued with sheer passion within the SCF's limited financial resources and without any corpus fund for the same, he insists, adding, "We will be more than happy if there is sporting activity throughout the year; the SCF is always there to help any school in this regard."

In a way it is a concept which uses sports as a tool to

Sai Baba points out that the response was really good in some schools like Sabdaria Girls High School (Mehdipatnam) which has 1200 students and the Errum Manzil Government High School. "It gives us immense pleasure that now many Government Schools are making use of the equipment we donated and also the basic infrastructure like creating volleyball, basketball, kho kho and kabaddi courts too," he says.

Interestingly, many of the Government School students too get a feel of the bowling machine of the SCF, incidentally the first organization in India to get this way back in early 90s, digital speed gun. "We hope to contribute in our own small way for the promotion of sports. This is an ongoing project," signs off the SCF official.

## OUR BUREAU

**T**he Sports Coaching Foundation (SCF) is organising a unique sporting event exclusively for foreign students from different universities of the city. This event is being held at Nizam College Sports Complex which began on Thursday and would be on till Saturday.

More than 1,500 foreign students are participating in the event to showcase their talent in various games like cricket, basketball, volleyball, football and other track and field events. An exciting array of awards and trophies await the winners of the games. Former physical directors and many veteran sportsmen of Nizam College will be felicitated. Outstanding foreign students will also be awarded.

Ruby Babak, a student from Afghanistan, won both the 100 and 200 metres run on the first day. The men's track and field events dominated by Iraq students. Azgar, Zakaria, Hussain Abdul, Pancy N Bongou won the 100, 200, 400 and 800 metres run respectively.

**HYDERABAD:** For the 15,000-odd foreign students based in Hyderabad, more so from Osmania University and Nizam College, it was a unique opportunity to showcase their skills at the Sports Coaching Foundation (Masab Tank) three-day sports meet, which got under way at Nizam College Grounds here on Thursday.

“Well, we don’t want to think of what is happening back home right now. We are enjoying every bit of this sports meet,” said Zahid Hasan, coach of the 1,000-strong Iraqi student community in the city, with a smile.

He observed that these are the kind of events which provide students a chance to meet other foreign nationals. The fact that girl students, mostly from Af-

ghanistan, made their presence felt in the event, was also a hint of how desperately these overseas students are looking for a platform to try their hand at sprint events in athletics, basketball, football and cricket.

With V. Satyanarayana, Director of Physical Education, OU, and S. Rajesh Kumar, professor, taking care of the technical aspects of the three-day meet, the participants can be assured of a smooth conduct of events.

“Our idea is to lure overseas students outdoors as they are usually confined to the indoors. We are hoping our own local students will get inspired watching foreign students participate in the sporting events,” said K. Sai Baba of Sports Coaching Foundation (SCF), who is organising the event.

# SPORTING EXTRAVAGANZA FOR FOREIGN STUDENTS BEGINS

**T**he Nizam College at Basheerbagh turned into a global playground as students from 35 countries participated in a first-of-its-kind sports event in the city on Thursday. Some of the countries may be at war with other countries, but on the ground, it was friendly camaraderie that was on display, as 500 students pursuing various courses, participated in different events.

Making the three-day event unique was the kick-off, where the participants unfurled the flags of their respective countries. The first day was dedicated to athletics and football. "Tomorrow, it will be a field day of basketball, volleyball, football and cricket. The third and concluding day will see games of football, volleyball, karate and cricket," informed an organiser at the venue.

Students from Yemen, Iraq, Iran, Turkey, Uzbekistan, Sudan, South Sudan, Congo, Tanzania, Somalia, Uganda, Congo and other countries from Asia and Africa studying

gathered for games.

The cricket matches promise to be different as the teams will be mixed with both boys and girls playing in the same team. Each team will comprise five girls and five boys and without the eleventh player. The shorter duration matches will be of 10 overs each. There will be five teams for football, nine teams for basketball, five teams for cricket, five teams for volleyball and six teams for basketball. Saeed Anwar, a karate champion in his early twenties from Afghanistan, appeared excited as he displayed his skill in the inaugural session, breaking several clay pots with swift chops. "I am going to be the winner," he says with confidence.

Mohammed Nasir Ahmed from Afghanistan, an MBA student of Osmania University, who is also the president of Foreign Students Association Hyderabad, sums it up. "Students are calling up for registration even now. This has brought students from different countries on one platform."

- Studied and Captained at the Prestigious Nizam College (Hyderabad) & Osmania University Cricket Team in the inter university tournament year 1974-75.
- Double National, who represented Senior State in two sporting disciplines – Cricket and Canoeing (Water Sports).

In the year 1991, when Government Initiated to promote Sports Culture at public places, in slum and conflict areas of Hyderabad City, Mr. K. Saibaba (through his brainchild) started Sports Coaching Foundation (SCF) in partnership under PPP Model with the Government.

In spite of mammoth social odds and challenges, he transformed a conflict-hit & sensitive, discarded (around 1-acra area) public place at Masab Tank, Hyderabad City into NOW - the Most Sought Sporting Hub of the society. Hundreds and Thousands of BPL (Below Poverty Line) children & youth are taking advantage of modern sporting facilities of SCF. SCF got many stories to its credit. Sports Coaching Foundation focussed on educating children beyond Sports in the realm of Human Values and Character Building. SCF Sports Complex, Hyderabad has very rear story which is providing BPL and elite children at the same platform to participate in Sports for the last 27 years.

Mr. K. Saibaba is also the Central Proponent of 'Build India Through Sports (BITS) Project' of SCF, which has touched the lives of over 1 Lakh underprivileged children & youth and attracted them towards Sports & Games in over 200 Low-income institutions (Govt. Schools, Orphanage Homes etc.) all over India. SCF conducts Sports Awareness Clinics and Builds Sports Infrastructure. Further, SCF donates Excellent Sporting Equipment (made from recycled sporting products at optimized cost) – which attracts underprivileged children into Sports to primarily stay healthy. Mr. Saibaba has relentlessly promoted Sports in hundreds of public places voluntarily, proving that big stadiums are not required for promoting Basic Level Sports Culture.

- For his invaluable and unmatched contributions towards Sports promotion among the underprivileged in Indian society for the last 27 years through SCF, Mr. K. Saibaba received the 'Best Sports NGO Award in Social Change' from the President of India. Under his guidance, SCF was also the 'Most Awarded Sports NGO in 2015-16' receiving Six National Level Prestigious Awards – Jindal Foundation (New Delhi), Americares India (Mumbai based). He also received the Best Manager Award from the National Confederation of Resident Welfare Association of India.
- In November 2016, recognizing his outstanding services to the underprivileged, the 'Peace and Sports Forum' at Monte Carlo, Monaco (Europe) which is endorsed by the UN Advisor-invited and ranked SCF among the 'Top 3 Best Sports NGOs in the World' – an extremely prestigious international honor.

Won the Prestigious "INTERNATIONAL SOCIAL IMPACT AWARD-2017" (Outstanding Volunteer Category) won against Pakistani NGO counterpart at the Finals organized by Resource Alliance (UK) in coordination with Rockefeller Foundation (USA) at the Hotel Marriott Marquis Queens Park Hotel at Bangkok City, Thailand on 27th June, 2017.
