

## SPORTS CULTURE IS A STRONG NECESSITY IN INDIA

## EDUCATION IS INCOMPLETE WITHOUT SPORTS

Dear Patron,

About the ground-level situation of our organization; because of the disastrous Covid times, we are in an SOS situation and not able to meet the ends. As a sustaining NGO for over 30 years, we have staff dependent on the organization for their livelihood. All of them have families to support and to be taken care of. Sports as an activity is ignored and might continue to be of lesser priority until the pandemic subsides.

Anticipating the situation to be better from July/August this year, our team will gear up to support the society through events/activities in sports for physical or mental health.
