A Leading "N.G.O." in Sports and Character Building - helping Build India through Sports (Since 1991)

SCF is the only NGO in Sports and Character Building, helping Build India Through Sports (since 1991). Please note that through its ingenious '**BUILD INDIA THROUGH SPORTS**' (BITS) Project, SCF has already reached out to 25,000 less-privileged children (in over 70 Low-Income Institutions), where a substantial percentage of children have had no exposure to Sports of any kind, ever before in their life. Even with its limited resources, SCF donated sporting equipment and created basic infrastructure in these schools to promote sports like Cricket, Football, Tennis, Volleyball, Basketball, Kho-Kho and Kabaddi. This project involves educating children (Girls and Boys) about Sports & Sporting Achievements, to inspire them to chance their talent and hone their skills in Sporting disciplines of their interest, through dedication and practice. The primary focus is on personality development through Sports.

## A good start to the initiative to promote sports among girls from less-privileged society

V. V. SUBRAHMANYAM

The Rashtriya Khel Protsahan Puraskar Award seems to have spurred Sports Coaching Foundation founder-general secretary K. Sai Baba to extend his passion to promote sports amongst the less-privileged to new domains. He has decided to go in and around Hyderabad and promote the sporting culture, especially in schools where girls rarely get an opportunity to train, leave alone compete in the meets.

### Sports meet

The Begum Sogra Humayun Mirza Mini Girls Olympiad organised last weekend was one such initiative as part of the 'Build India Through Sports' programme which saw about 500 to 600 girls from the Government and the aided schools between IV and IXth standard compete in a sports meet.

Winning or losing was not the focus in this which was essentially aimed to let these girls free from the shackles and venture on to the sports fields, showcase their skills as competitions were held in running, skipping, basketball, kho kho, kabaddi and karate.

"We are delighted with the kind of response for this meet. And we are planning to

**MOMENT OF PRIDE** Winners of Begum Sogra Humayun Mirza Mini Olympiad with officials

hold these kind of events for the less privileged with regularity. We are an NGO and we did this thanks to the support of LIC. We don't look at monetary benefits. On the contrary, we spend from our own side," said Sai Baba.

Former Chief Secretary to

State Government Gopala Krishna, who gave away the prizes appreciated the efforts of SCF. "Sports in India need not be all about big achievers. Unless we give a platform for these age groups at the school level, how can we produce more champions," he said.

For SCF, which is into its silver jubilee year, this is yet another significant milestone.

"We have requested many schools to make optimum use of our facilities. Hope, there will be good response," signs off Sai Baba.

# A mini Olympiad for govt school girls

## OUR BUREAU

**I**t was a rare assemblage of girls drawn from across several government schools for a multi-discipline sports fiesta that was organised by the Masab Tank based Sports Coaching Foundation (SCF) over the weekend.

The entry-free 'Begum Sugra Humayun Mirza Girls Mini Olympiad' for less-privileged girls studying in the sixth to tenth standard attracted the participation of around 500 girls, who came from 20 schools. It was sponsored by LIC of India.

Competitions were held in running, skipping, basketball, kho-kho, kabaddi and karate. Safdaria Girls High School emerged as the overall champion having topped in several disciplines.

Earlier the tournament was inaugurated by Mazhar Hussain, Regional Manager, LIC of India) while co-sponsor the Mehdiapatnam-based Olive Hospital checked the BMI levels and general health of the girls.

*Abida Begum, 4th class student of Safdaria Urdu Medium High School felicitated by Gopalakrishna for winning two national karate titles. SCF founder K Sai Baba is also seen. Photo: Saleem*

After felicitating the winners and other top performers, former Chief Secretary, Gopala Krishna lauded the efforts of the Foundation founder, K Sai Baba. He said that it was a matter of immense delight that the work being rendered by the Foundation, particularly for children from the under-privileged sections, has been recognised beyond the state.

Two big honours that have come for SCF have been this year's recognition by Rockefeller Foundation and when the 'Best Sports NGO in the Country' award was given away by Pranab Mukherjee on the National Sports Day.

Sai Baba assured to continue with the same zeal while reaching out to the distraught sections of the society on the Build India platform.
