DEAR READER:

Recently, the World witnessed its biggest Sporting Extravaganza at the Rio-Olympic 2016. Many Sporting records were broken because of some Extraordinary & Breathtaking Superhuman Feats of Michael Phelps, Usain Bolt, Simon Biles, Gulius Yego among others. It was truly a mesmerizing spectacle, which proved to the world that excellence in any Sport at the highest level requires eons and eons of mental preparation for physical imprints of timeless success.

Our Prime Minister Narendra Modi's speech in Mann Ki Baat on 28th August 2016. Said "Playing Sports is not a time waste". The United Nations also advocates that it is the right of every child (girl & boy) in the world to participate in Sport. Can we really make this happen? If we can succeed in this, automatically our dream of building a stronger & healthier India will come true, considering that presently India is the Diabetic Capital of the World.

In our own unique way - at SCF, Hyderabad - for the last 24 years, we have been promoting Sports Culture among the less-privileged children and youth of the society. With a very genuine intention.

Did you know that our 1-acre Sports Facility at Hyderabad is one of the most sought after playground for all strata of the society?

Not just that, through our very unique 'Mobile Build India through Sports (BITS) Project', we are connected with over 30,000 underprivileged children and youth in over 100 Low-income Institutions all over India (Telangana State, Andhra Pradesh, Karnataka, Maharashtra, Goa & Delhi).

Sports Coaching Foundation (SCF) successfully organized & sponsored a '1-day Golconda Mini Sports Free Olympiad' for eight surrounding Govt. schools at Three Sports Venues in Golconda Fort area, Hyderabad. This was yet another Great Sporting Event organized by SCF, in which more than 1500 underprivileged children (girls and boys) participated.

Shri. Ravikumar (Area education officer) graciously inaugurated this Sporting event on 28.9.2016. Following are some highlights of the event:

- Running Competition was held at Owaisi Playground, Golconda Fort Area
- Kho - kho, Kabaddi & Skipping Competitions were held at Golconda Urdu Medium School Playground
- Volleyball & Football Competitions were held at Golconda Boys Govt. School Playground

Additionally Motivational Audio-visuals on Sports Celebrities were showcased to inspire children, who stood truly mesmerized and fully enjoyed the Sporting Event.

Shri. K. Saibaba, Founding Secretary of SCF (Principal Event Coordinator) thanked all the School Principals, Physical Directors and Govt. Officials for playing their important part in successfully coordinating this Free Event!

OUTDOOR FUN TO BEGIN HOLIDAY SEASON

OUR BUREAU

Heritage and historic tags apart, the surroundings abutting Golconda Fort assumed further significance when Chief Minister K Chandrasekhar Rao zeroed in on the vicinity for his Independence Day speeches and celebration.

The area, which looks run-down at several by-lanes, boasts of almost eight government schools and has three playgrounds at Golconda Urdu Medium School, Golconda Boys Government School and Owaisi playground.

In what was a day of celebration, boys and girls from the schools

along with a few locals, were provided with an opportunity to showcase their playing skills in various disciplines, to mark the perfect commencement to their holiday season.

By all accounts, the 'Golconda Mini Sports Free Olympiad' that came courtesy of the Masab Tank-

based Sports Coaching Foundation (SCF) was a celebration of sorts for approximately 1,500 underprivileged children, who participated in the day-long event with frenzied enthusiasm after it was formally declared open by Ravi Kumar, the Area Education Officer.

Separated by their disciplines, track and field competitions were conducted at Owaisi Playground. Kho-kho, kabaddi and skipping events were held at Golconda Urdu Medium School Playground while Golconda Boys Govt School Playground hosted volleyball and football matches. It was a day where in every participant was a winner.

Principals, physical directors and officials from various government offices participated in the pro-

gramme and delivered motivational sermons on the occasion.

In addition to the events, the day saw the children get a feel of sports trends all over with the inspirational audio-visuals on iconic sportspersons.

According to K Saibaba, founder-Secretary of SCF, the programme was part of their mission to provide ample opportunities to children from poorer families so that the talents that they were endowed with would not go in vain.

He said that this was one of the reasons the Foundation was appealing to industry captains to come on-board as a CSR exercise and help them achieve their goal of providing equal opportunities to all sections of the people.

Govt shortlists 10 key areas of CSR

Surojit Gupta | TNN

New Delhi: The government has identified 10 major areas including education, gender equality, environment, national heritage and the Prime minister Relief fund where India Inc can spend to claim credit for the mandatory 2% Corporate Social Responsibility (CSR) expenditure.

Under the new Companies Act, mid and large companies have to spend 2% of their three year annual average net profit on CSR activities. The government expects a significant step up in spending on CSR projects by companies.

The activities which can be included by companies in their CSR policies include: eradicating hunger, poverty, malnutrition and promoting preventive healthcare, promoting sanitation and availability of safe drinking water, promoting education, promoting gender equality, ensuring environmental sustainability, protection of national heritage.

Those spending for the benefit of armed forces veterans, war widows and their dependents would be eligible to cover the expenses under CSR spending rules. Under gender equality activities related to empowering women, setting

The activities which can be included by companies in their CSR policies include: eradicating hunger, poverty, malnutrition and promoting preventive healthcare, promoting sanitation and availability of safe drinking water, promoting education, gender equality and protection of national heritage

up homes and hostels for women and orphans, setting up old age homes, day care centres and similar facilities for senior citizens

and projects on reducing inequalities faced by socially and economically backward groups have been included.

Spending on training to promote rural and nationally recognised Para Olympic and Olympic sports would also qualify for credit under the CSR rules.

ral development projects and contributions or funds to technology incubators located within academic institutions and approved by the government would also be approved under this category. Protection of national heritage would include art and culture including restoration of building and sites of historical importance and works of art, setting up of public libraries, promotion and development of traditional arts and handicrafts.

Officials said they expect the rules to be notified soon, maybe within a few days, after the Law ministry approves the list. The rules were finalised after the Corporate Affairs ministry examined over one lakh suggestions from various stakeholders. While the rules do not elaborate on the sub categories under rural development projects, officials said they expect several projects to be covered under the category for CSR spending.
