SNAPSHOT OF THE FEBRUARY MONTH - 2016 NEWSLETTER

SCF is the only NGO in Sports and Character Building, helping Build India Through Sports (since 1991). Please note that through its ingenious '**BUILD INDIA THROUGH SPORTS**' (BITS) Project, SCF has already reached out to 25,000 less-privileged children (in over 70 Low-Income Institutions), where a substantial percentage of children have had no exposure to Sports of any kind, ever before in their life. Even with its limited resources, SCF donated sporting equipment and created basic infrastructure in these schools to promote sports like Cricket, Football, Tennis, Volleyball, Basketball, Kho-Kho and Kabaddi. This project involves educating children (Girls and Boys) about Sports & Sporting Achievements, to inspire them to chance their talent and hone their skills in Sporting disciplines of their interest, through dedication and practice. The primary focus is on personality development through Sports.
