### WHY IT IS IMPORTANT TO PARTICIPATE IN SPORTS?

**KHELO INDIA**

- Education without Sports is incomplete.
- Do you know that India is the "Globe's Capital of the World"? Note that, "Never accept it. Sports is the Cheapest Medicine."
- Sports inculcates values like Truth, Discipline, Hard Work, Determination and Sportsman Spirit. It plays a key role in building character.
- Through Sports, you can develop and repeatedly master "Physical Planning and Execution" in a practical manner.
- Sports help the sports participants to be aware and work around those rules and accordingly communicate with one another. This increases the awareness level and confidence of the participant.
- Sports develops logical, Critical Thinking and Analytical Skills in you in the most practical manner.
- Sports is one field which builds "Never Say Die Attitude". Such an attitude helps them to overcome obstacles in Life.
- Participation in Sports inculcates Leadership and Self-Confidence, which in turn helps you to think independently, even without fear but with poise.
- Involvement in Sports should be a way of life. Note that a Healthy Nation is without doubt a Wealthy Nation.
- Let us hope India can host the Biggest and Colorful Sporting Event - The Olympics.

Gandhiji was an NRI Barrister, Who practiced law for 20 years of his life in Durban, South Africa. Seeing the suffering of Indians abroad and also in India, he left his lucrative earnings in South Africa and returned to India and made up his mind to fight for the freedom of India.

Gandhiji dedicated his entire life to the service of humanity and had taught the importance of Truth, Non-violence and simplicity. For this reason, the term 'Mahatma' was coined before His name and in India he is respectfully called the 'Father of the Nation'. The most befitting Tribute that we Indians can pay him is to follow the path he had shown us.

# A facility to nurture sportsmen

**PLAY ON:** Prof. P. Chinnappa Reddy and others at the inauguration of the sports complex at Magadha Village near Gandipet.

The advantage of having someone in your own gated community who has a passion for sports and is keen to give back something to the youngsters willing to take up sports in a serious way was best illustrated when the Magadha Village comprising 150 houses (near Gandipet) has put in place a decent sports complex catering to the needs of tennis, basketball and cricket nets.

All this was possible thanks to the initiative of Prof P. Chinnappa Reddy, former Technical Advisor to State Government (Sports and Physical Education). Using his contacts and goodwill in the sports fraternity and luring in the hard-working K. Sai Baba, general secretary of Sports Coaching Foundation

(SCF), Prof Reddy saw to that the young talent in his gated community have the desired facilities to get a feel of what it means to be out there on the arenas.

## Inaugural function

Former Sarpanches of Kokapet and Narsingi - Jaipal Reddy and Venkatesh Yadav were there at the inaugural function so were the former India basketball player Srikanth Reddy, who opened the basketball court, and Brahma Reddy of APSLTA who inaugurated the tennis court.

Prof Reddy, who is also president of the Magadha Village, thanked Sai Baba for his excellent effort which should benefit about 300 children in the locality.

# New chapter for Secunderabad sports

*For quite sometime, Secunderabad was bereft of quality sports training facilities*

Secunderabad is known in crick-  
eting circles for producing one  
of the most famous names of  
Indian cricket - M.L.Jaisimha. And,  
when the Sports Coaching Founda-  
tion (Masab Tank) decided to set up  
its extension centre in the Syndicate  
Bank Colony in West Marredpally, it  
was a conscious decision to give the  
enthusiastic kids of the area a feel  
of the latest in terms of coaching fac-  
ilities. Like the bowling machine, the  
floodlighting and a host of innovative  
things that are being lined up to sus-  
tain their interest in the sport. The  
facilities also provide coaching in  
badminton and basketball.

Not surprisingly, Sayanna, MLA,  
and Shikha Goel, IPS, formally inau-  
gurated the SCF Extension Centre on

January 13 at a simple function,  
which could well be the beginning of  
a new chapter for residents in the  
nearby areas. "The concept is impres-  
sive and let us hope the kids make  
optimum use of the facilities provid-  
ed," she remarked.

### Facilities lacking

Echoing similar sentiments, Mr  
Sayanna feels that for quite some-  
time Secunderabad was bereft of  
quality sports training facilities,  
which cater to the not-so privileged  
classes. "And this centre could well  
be the right answer," he emphasised.  
In the same breath, he had a word  
of advice for the organisers to ensure  
that it would not turn into one of  
those commercial centres, which are  
thriving on the interest of the enthu-  
siastic parents.

To start with, the centre will give  
training to all those interested free of  
cost for the first month and even el-  
ders can utilise the facilities to en-  
courage their kids. Later, nominal  
fees could be charged from the boys  
only, says K.Sai Baba, general secre-  
tary of SCF. As a special gesture to

promote girls, they will not be  
charged any fee. Within the next one  
week when qualified coaches are ap-

pointed to take charge, the floodlit  
venue might well be the big attrac-  
tion, providing a perfect ambience for

those who love to spend the evenings  
in a sporting atmosphere.
