SCF breathes life into Vanapamula ZP school

OUR BUREAU

Vijayawada: Little did the alumni of Rural Government School, ZP High School at Vanapamula village in Krishna district realise that their bid to usher in a sports culture in their old school would change the face of the institution to wonderful levels.

Giving a facelift to the run-down place was the Hyderabad-based Sports Coaching Foundation (SCF), which has earlier transformed open spaces into grounds at various schools in Telangana State, Andhra Pradesh, Karnataka and Maharashtra. Spearheaded by the Foundation-founder K Sai Baba, the school premises has undergone a welcome change in a span of less than 24 hours.

The 94-year-old institution has been given a fresh lease of life, thanks to its students, who are now placed all over the country, and the personnel at SCF. The marshy ground has been

The otherwise shabby-looking walls have been made cleaner and the ambience is invigorating students to take to sports and games, more enthusiastically. It has been an instant hit, much to the delight of the elders of the

students. Interestingly, girls have taken to the facilities in a big way. Later, to spur the youngsters on, the Foundation organised an awareness programme and explained about the ambitious 'Khelo India' Project and how students and coaches can take advantage of the initiative launched by the Union Government.
