JULY - 2015

SCF

**NEWS
LETTER**

SCF has achieved unparalleled success in transforming the most sensitive area of Hyderabad into a State-of-the-art Sports Complex, which has been successfully moulding the future of children through Scientific Coaching in Sports

BUILD INDIA THROUGH SPORTS (BITS)
As part of BITS program, we proactively reach out to Government Schools, Low Income Institutions and Slums to promote Fitness & Character Building through Sports

1

A Leading "N.G.O." in Sports and Character Building - helping Build India through Sports since 1991

SCF is one of the few Sports Organizations in the Country having IT Exemption under 80G and FCRA approved by Govt, of India.

PLEASE DONATE

Late Dr. A.P.J. ABDUL KALAM

Do You Have Ten Minutes For Our Country ? If Yes, Then Read.

YOU say that our government is inefficient. **YOU** say that our laws are too old. **YOU** say that the municipality does not pick up the garbage. **YOU** say that the phones don't work, the railways are a joke, the airline is the worst in the world, and mails never reach their destination. **YOU** say that our country has been fed to the dogs and is the absolute pits. **YOU** say and say, what do **YOU** do about it?

We sit back wanting to be pampered and expect the government to do everything for us while our contribution is totally negative. We expect the government to clean up but we are not going to stop chucking garbage all over the place, nor are we going to stop to pick up a stray piece of paper and throw it in the bin. We expect the railways to provide clean bathrooms but we are not going to learn the proper use of bathrooms. We want Indian Airlines and Air-India to provide the best of food and toiletries but we are not going to stop pilfering at the least opportunity. Our excuse? It's the whole system which has to change.

So who's going to change the system? what does a system consist of? very conveniently for us it consists of our neighbors, other households, other cities, other communities and the government. But definitely not me and **YOU**. When it comes to us actually making a positive contribution to the system, we lock ourselves along with our families into a safe cocoon and look into the distance at countries far away and wait for a Mr. Clean to come along and work miracles for us with a majestic sweep of his hand.

Dear Indians, this disgust is highly thought - provoking and calls for a great deal of introspection. It also pricks one's conscience, too.

I am reminding you of what John F. Kennedy exhorted to his countrymen "Ask not what your country can do for you. Ask what you can do for your country"

A CONTENT FROM THE BOOK "DREAMS TO REALITY"

Sri. A.P.J. Abdul Kalam was a true source of inspiration for all Indians!

SCF Sports Complex has inspired children with his 'Message to all Indians' displayed on its Message Board for the last 10 years. We have also shared this message with our SCF Trainees through our Training Manuals.

His wonderful message and his entire life has truly been a strong trigger for each Indian for self-introspection and personality development!

May his soul rest in peace!

Man needs his
difficulties
because they are
necessary
to enjoy success.

...A. P. J. Abdul Kalam

THE
HANS INDIA

HYDERABAD | WEDNESDAY 29 JULY 2015

APJ Abdul Kalam was a true source of inspiration for all Indians. His wonderful message and his entire life has truly been (and will remain) a strong trigger for each Indian for self-introspection and personality development.

-K Saibaba, former Ranji player

SNAPSHOT OF THIS NEWSLETTER (JULY-2015)

SCF is the only NGO in Sports and Character Building, helping Build India Through Sports (since 1991). Please note that through its ingenious '**BUILD INDIA THROUGH SPORTS**' (BITS) Project, SCF has already reached out to 25,000 less-privileged children (in over 50 Low-Income Institutions), where a substantial percentage of children have had no exposure to Sports of any kind, ever before in their life. Even with its limited resources, SCF donated sporting equipment and created basic infrastructure in these schools to promote sports like Cricket, Football, Tennis, Volleyball, Basketball, Kho-Kho and Kabaddi. This project involves educating children (Girls and Boys) about Sports & Sporting Achievements, to inspire them to chance their talent and hone their skills in Sporting disciplines of their interest, through dedication and practice. The primary focus is on personality development through Sports.

WE ARE LOOKING FOR PARTNERS...WHO CAN SERVE THE COUNTRY...THROUGH SPORTS!

*We sincerely appreciate your time and hence have captured only the highlights of the above mentioned events in this Newsletter.
We look forward to your resourceful feedback!*

SCF received the prestigious India NGO Award at New Delhi (on 24th July, 2015) for having made it to the Top 4 NGOs in India. This is truly an exemplary achievement, considering that we were the only Sports NGO among the Top 4 finalists all over India in the Small NGO category. It is worthwhile to note that India has more than 2 million NGOs, which makes our achievement even more remarkable.

Supported By

EdelGive Foundation

EdelGive Foundation was started in 2008 with two main premises. The first was to serve as the bridge between users and providers of philanthropic capital and knowledge; in other words, bring the skills, resources and talents of the for-profit world to the not-for-profit world. The second was to build a culture of giving-back within Edelweiss and our employees.

The Foundation continues to deliver on this promise - by working with funders (both Edelweiss and others), and by building the capacity of the non-profit world to make it a robust and sustainable sector through a high quality employee engagement programme, one of the best in India.

Our values and beliefs have driven us to support nonprofits in the fields of Education, Livelihoods and Women's Empowerment, which continue to remain our focus areas. Till date, our investments of about approx INR 30 crores in over 60 nonprofits have impacted over 200,000 lives.

Supported By

The Rockefeller Foundation

The Rockefeller Foundations mission unchanged since 1913 is to promote the well-being of humanity throughout the world. Today, we pursue this mission through dual goals: advancing inclusive economies that expand opportunities for more broadly shared prosperity, and building resilience by helping people, communities and institutions prepare for, withstand, and emerge stronger from acute shocks and chronic stresses. To achieve these goals, we work at the intersection of four focus areas advance health, revalue ecosystems, secure livelihoods, and transform cities to address the root causes of emerging challenges and create systemic change. Together with partners and grantees, The Rockefeller Foundation strives to catalyze and scale transformative innovations, create unlikely partnerships that span sectors, and take risks others cannot.

Sports Coaching Foundation (SCF)

Hyderabad

Health Awareness and Fitness through sports

About Sports Coaching Foundation (SCF)

Sports Coaching Foundation (SCF) is the brainchild of Mr. K. Sai Baba (Former Ranji Trophy Cricketer), who has a God-gifted innate ability compounded with 35 years of experience in Sports, to spot young talent (especially among less-privileged children) and take all-round sincere efforts to groom them into promising Indian stars of the future. SCF has been instilled with this true spirit of service for the last 24 years, since its inception in 1991.

Mission is to 'Build India through Sports (BITS)'. With this mission as primary vision, SCF has set the following few strategic objectives and goals:

- Promote Sports Culture among the less-privileged children of the country by voluntarily visiting Low-income institutions and developing Sports Infrastructure to facilitate Sports Culture.
- Spot, Coach and Shape young talented children (especially the less-privileged) into top-class players and responsible citizens of the country.
- Conduct free tournaments/ events at its premises to tap talented children.
- Develop and maintain playgrounds, pitches, courts, etc., at different venues to promote Sports.

- Award scholarships to deserving sportsmen and sponsor them for training abroad or in India.
- Establish in-depth libraries exclusively for sports lovers.
- Develop good physique of players through best guided physical training, yoga, etc.
- Promote a positive attitude towards Sports in society and popularize physical fitness.

Programmes

BITS Project: The most innovative aspect of SCF is the unique and evolving model of its 'BITS' (Build India Through Sports) Project, a medium through which, SCF Staff literally goes to the door-steps of Low-income Institutions (Government Schools, Orphan Homes, Slums, also street children) and promotes Sports Culture by voluntarily developing Sports Infrastructure, donating Sports equipment and encouraging less-privileged children to participate in Sports. SCF has so far transformed the sporting lives of over 25,000 less-privileged children (in over 50 Low-income Institutions) through its BITS project in Southern India. Majority of these less-privileged children (especially girls) have never been exposed to Sports of any kind, ever before in their life. The core intention of this project is overall personality development (Health, Fitness

Swachh Bharath Abhiyan (Clean India Movement)

and Character) of children through the medium of Sports. Positively, SCF looks forward to expand this model in the entire country to encourage children (especially the less-privileged) to participate in sports and transform the image of the country into a Sporting Nation. This is the noble goal of SCF. Through the process of building Sports Infrastructure under BITS project, SCF has also motivated children and youth to take part in 'Swachh Bharat' (Clean India) Campaign and has achieved success.

SCF provides Free Scientific Coaching (Football, Tennis, Cricket, Basketball, Boxing & Martial Arts) to approximately 60% of its 600 trainees at its Sports Complex. SCF has been successful in transforming the mindset of the local people regarding sports, health and fitness which in itself was a tough challenge at the outset. This is a proof of relentless efforts of SCF team and the impact made by them. SCF has managed to transform youngsters and divert their minds from criminal activities to sports. From being petty thieves and drug addicts, these youngsters made a 360-degree turn to embrace productive activities and showcase positive spirit by becoming volunteers and enthusiastic participants in various sports events conducted by SCF. SCF also conducts about 20 Free Tournaments (every year) at its premises to encourage participation of less-privileged children.

Impact on Women: SCF trainee Archana Das, one of the three national-level players trained under the guidance of expert coaches in SCF

who is representing India in Women's Cricket. Besides her, a few girls and young women are playing and excelling in sports like Basketball and Tennis. SCF has adopted many Government Girls High Schools like Safdaria Urdu Medium School and Mahaboobia Girls High School in Mehdiapatnam, Hyderabad and helped train over 4000 girls in various sports so far by transforming them through various awareness programs like 'Importance of Health and Fitness through Sports'. SCF Management has observed over the years that many women employees and women advocates have shown keen interest in taking up different sporting activities round the year at SCF Sports Complex.

Fundraising Achievement(s) and its Impact

When Mr. K. Sai Baba - Founder Secretary, SCF (in 1991) - intended to take forward his passion towards Sports and approached the government, the officials helped SCF by granting access to government land. After a few years, SCF was recognized and included under Section 80G to make its donors eligible for tax exemption clause and FCRA permission for the donors - as approved by the Home Ministry, New Delhi. SCF's list of donors includes LIC of India, Syndicate Bank, Bank of India, Bank of Baroda, Nizam Charitable Trust, Lions Club among several others. SCF also received direct donations for the following Sports Infrastructure aspects:

- Flood Lights Project (from Andhra Pradesh State Electricity Board - APSEB).
- Electronic Bowling Machine (from State Bank of India).
- Digital Speed Gun (from Cyberabad Police Commissioner).
- Synthetic Also Turf (from State Bank of India).
- Hydraulic Roller worth Rs. 6 lakhs (from Amway India).

Donations give SCF a genuine reason to celebrate the noble mission of reaching out to the less-privileged. The impact can be measured not only by the increasing number of participants in SCF coaching activities and sports events, and the feedback received in the form of newspaper articles published about SCF's efforts and activities, but also by the increasing number of stakeholders like government and administrative officials, GHMC authorities, schools & colleges, philanthropists, and the media. Mr. K. Sai Baba

receives letters/emails/ awards of appreciation and recognition from several quarters in response to the work that SCF has carried out under its BITS (Build India through Sports) Project. This motivates SCF to reach out to a greater segment of less-privileged children in the country.

Scalability and Replicability

A major facet of SCF mission is its 'Build India Through Sports (BITS)' project. So far with limited resources and against all odds, SCF Team has proactively reached out to over 50 Low-Income Institutions (Government Schools, Orphan Homes, Slums, also street children) and made a difference to the sporting lives of over 25,000 less-privileged children, where a substantial percentage of children (especially girls) have had no exposure to sports of any kind, before in their life. SCF has donated sporting equipment and created basic infrastructure in these schools to promote sports like Football, Cricket, Tennis, Volleyball, Basketball, Kho-Kho and Kabaddi. This project involves educating children about Sports & Sporting achievements, to inspire them to chance their talent and hone their skills in sporting disciplines of their interest, through dedication and practice. The primary focus is on personality development in children through the medium of Sports. A protocol of follow-up is also pursued.

As part of BITS project, SCF has covered most of the district headquarters in AP and Telangana and also some remote areas of Maharashtra and Karnataka.

SCF Management keenly looks forward to expanding this model all over India to make BITS (Build India Through Sports) a household name in India. At SCF, it is predicted that this will be a true sign of transformation of Sports image in the country. SCF Staff members have achieved a lot of cheer, goodwill and satisfaction and are determined to counter any road blocks in the future.

Governance and Financial Management

The Governance Process at SCF has a simple model. All decisions are made in accordance with the laws governing an NGO. 'SCF Board Members' are appointed through general body meetings and voting. The standard term for 'SCF Board Members' is two years, as it helps in maintaining consistency and helps in running the organization smoothly and effectively.

GOVT PRIMARY SCHOOL ENGLISH (MEDIUM) DEVARAKONDA BASTI. BANJARA HILLS. HYD

Educating students about the importance of sports

Board meets once in six months. Quorum consists of 2/3 majority. There is transparency in terms of activities, management of finances, maintenance of records of all events held in the past two decades, etc.

SCF has an annual budgeting process in place, wherein the SCF Management plans in advance, assesses and forecasts the amount of expenditure needed to take care of day-to-day expenses besides the various activities/ events to be held in that financial year. The General Secretary and the Treasurer of SCF are the key decision makers in preparing the budget. SCF has regular review meetings from time to time to ensure that budget allocation is in line with the income generated. SCF Management also makes sure that the internal and external audits are done in compliance with the rules and regulations of the Government. Since SCF is accountable to its donors, all its records are well-maintained. SCF is being audited by a leading, knowledgeable and experienced external auditor who has been associated with auditing SCF for the past 15 years.

Here, SCF proactively transformed the renowned and prestigious ‘century old’ Sports Pavilion at Nizam College Sports Complex, just before it hosted the Foreign Students Sports Event 2015 (first-of- its-kind in India).

OUR BUREAU

The Sports Coaching Foundation (SCF) is organising a unique sporting event exclusively for foreign students from different universities of the city. This event is being held at Nizam College Sports Complex which began on Thursday and would be on till Saturday.

More than 1,500 foreign students are participating in the event to showcase their talent in various games like cricket, basketball, volleyball, football and other track and field events. An exciting array of awards and trophies await the winners of the games. Former physical directors and many veteran sportsmen of Nizam College will be felicitated. Outstanding foreign students will also be awarded.

Ruby Babak, a student from Afghanistan, won both the 100 and 200 metres run on the first day. The men's track and field events dominated by Iraq students. Azgar, Zakaria, Hussain Abdul, Pancy N Bongou won the 100, 200, 400 and 800 metres run respectively.

A sports event exclusively for foreign students

A Real Indian Hero

Mr. Premji

METRO INDIA

9-7-2015, Hyderabad

Premji gives half of his stake in Wipro for charity

PTI

BANGALORE

IT czar Azim Premji has given away almost half of his stakeholding in Wipro, India's third largest exporter of software services, to philanthropy. The Wipro's billionaire founder has given away an additional 18 per cent of his stake in the IT company for charity, thus earmarking 39 per cent of stake (worth Rs 53,284 crore) for a charitable trust.

The latest philanthropic initiative by Premji would pump in an additional Rs 530 crore by way of dividends into the Azim Premji Trust's corpus this year. 69-year old Premji is the first Indian to sign the Giving Pledge, sponsored by billionaires Warren Buffett and Microsoft co-founder Bill Gates to invite the world's wealthiest to donate majority of their wealth to charity.

"Over the past fifteen years, I have tried to put this belief into action through my personal philanthropic work..." Premji said in a letter to shareholders published in the company's annual report for the year ended March 2015. Premji said, "Over these years I have irrevocably transferred a significant part of the shareholding in Wipro, amounting to 39 per cent of the shares of Wipro, to a Trust (of which ownership in 21.14 per cent was transferred and for the

balance the Trust is entitled to beneficial interest of dividends and sale proceeds)."

The previously transferred 21 per cent stake was estimated at \$4.3 billion. The promoter group led by Premji holds 73.39 per cent stake in Wipro. Premji was considered the 'most generous Indian' of 2014 according to the Hurun India Philanthropy List.

He said the Trust supports the work of The Azim Premji Foundation and Azim Premji Philanthropic Initiative and thus a very significant part of the value created by Wipro, goes towards social causes.

Premji also stated in the report that economic value is sustainable only if created on a foundation of ethics and responsibility. "For us, this is the driving force in the form of our values and is something that we will continue to remain completely committed to," he added.

THURSDAY 4 JULY 2013

HYDERABAD  HANS

SCF honours sports scribes

Masab Tank-based Sports Coaching Foundation (SCF) and Lions Club International 316 C jointly organised a colourful function in a city hotel late Tuesday to mark the World Sports Journalists' day.

Journalists from the electronic media were honoured for their contributions to the profession to commemorate the day. Women achievers from various sports disciplines were also felicitated on the occasion.

Former Special Chief Secretary, Gopal Krishna, senior IPS officer, Sowmya Mishra, Commissioner of Customs & Excise, P N Rao and former sports advisor, Dr Chinappa Reddy, addressed the large gathering.

G K Marar, former director of Doordarshan, Rajamouli Chary, President, A P Electronic Media Sports Journalists Association, Narender Revalli, C Venkatesh and Sudhir Mahavadi were among sev-

eral journalists also felicitated.

G Mulini Reddy (Volleyball), Purnima Rao and Jyothi Joshi (both cricket), Neetha Dadwe (Kabaddi), Satti Geetha (Athletics), Nidhi Mukesh Kumar (Hockey), Sharada Reddy and PVV Laxmi (both badminton), Archana (Commentator) and Azmath Rehana (Karate) were felicitated as part of the celebration.

Later, former Ranji player and founder-Secretary of SCF, K Saibaba proposed a vote of thanks.

World Sports Journalist Day: 2nd July 2014.

Dr. Sowmya Mishra (IPS), Special Secretary of the Home Dept. of Telangana was the Special Guest.

Sports Coaching Foundation organized a Gala felicitation function on the eve of 'World Sports Journalists Day' on 2nd July 2014 at Taj Banjara Hotel. Other Dignitaries included Mr. Gopala Krishna (IAS - Former Special Chief Secretary) & Mr. Chinnappa Reddy (Former Advisor to Government - Sports). They commended SCF for its contribution to the society through the medium of Sports.

ಆಂಧ್ರಜ್ಯೋತಿ

A group of approximately 15 people, mostly women, are standing in a line, holding certificates and awards. They are dressed in a variety of colorful Indian attire, including sarees and salwar kameez. Behind them is a large blue banner for the "SPORTS COACHING FOUNDATION (NOT FOR PROFIT ORGANIZATION)". The banner also mentions "THE COCA" and "LISTS". In the bottom left corner, there is an inset photograph of a woman in a green sari speaking into a microphone. To her left, a black banner reads "JOURNALIST ON THE OC" and "JOURNALIST 2014".
